Subject: Data on export of sugar for export during Sugar Season 2021-22-reg.

Madam/Sir,

As you are aware that due to stable prices of sugar in the international market, about 65 LMT of sugar has been contracted for export in the current sugar season so far; out of which about 50 LMT has been shipped for export. With a view to monitor the quantity of sugar exported, all mills are requested to furnish information about the contract signed and quantity of sugar lifted from the mills for export in the current sugar season upto 15.03.2022 in the enclosed proforma. It is requested to furnish this information by 24th March, 2022 through email at: dtesug.fpd@nic.in and cdsugar.fpd@nic.in at the earliest.

2. If a sugar mill does not submit its data on export till 24.03.2022, it would be presumed that the concerned sugar mill has not signed any contract or exported any quantity at all.

Yours faithfully,
