

**Department of Food & Public Distribution
Director of Sugar & VO**

To,

All the existing (Operating or Closed) and upcoming distilleries of the country:

Subject:- Filling online status of the distillery plants through DFPD portal at "sugarethanol.nic.in":-reg.

This is to inform that DFPD has developed a new web portal to receive requisite information/data on periodical basis from the all the distilleries of country. Thus, all the Distilleries as mentioned above using any feed stocks, including cane molasses/food grains (whether associated with sugar mills or stand alone), are mandatorily required to register on the portal and after receiving administrative approval from the DFPD, file online data periodically through this portal.

2. Filling online information by the distilleries will help the different departments of the government to facilitate the production of ethanol. This will also facilitate to address the constraints felt in production and supply of operating distilleries. Besides, this data will also help the government to take quick policy decision for the welfare of the ethanol sector.

3. As this new portal has been opened for the first time, the users, if find any difficulty, in registering their distillery or uploading data, may mail their problem at dfpd.ethanol@gmail.com to receive the feed-back accordingly.
