

F. No. 6-1 (2021)-SC
Government of India
Ministry of Consumer Affairs, Food and Public Distribution
Department of Food and Public Distribution
(Directorate of Sugar & Vegetable Oils)

Krishi Bhawan, New Delhi.

Dated:- 8th March, 2021

To,

CEOs/MDs of all Sugar Mills.

Subject:- Timely filling of online P-II before 10th of every month.

Sir/Madam,

It has come to the knowledge of this Department that most of the sugar mills are not filling their online P-II on time, i.e. before 10th of every month. This Department has time and again requested all the sugar mills to fill their online P-II by the 10th of every month. In spite of several letters, there are still many sugar mills which are filling their online P-II in the last week of every month. As all the figures i.e. stock position, export figures, ethanol figures, etc are used in compilations of various weekly, fortnightly and monthly reports in the Directorate; therefore, it gets difficult for the Directorate to compile all the data in the last week of every month.

2. In view of the above, it is requested to fill the Online P-II for the month of **February, 2021 by 10th March, 2021 positively**. Those mills which are not able to fill online P-II due to some technical issue may contact Statistics/NIC Division of this Directorate and hard copy of their online P-II may be sent on sudhir.yadav50@nic.in so that same could be considered for the compilations of various reports of this Directorate. As the current sugar season is going on; therefore, it is requested to **fill the online P-II of March, April and May, 2021 by 3rd of every month.**

3. **Since, Government is reviewing progress of export from time to time; mills are requested to ensure that performance of exports are mentioned in relevant columns (4.3 & 7) of P-II.**

Yours faithfully,

(Jitender Juyal)
Joint Director
